### JULY Month's Competition

### Doctor's Day

The observance of National Doctors' Day is a way to acknowledge and honour the valuable contributions that doctors make to both the lives of individuals and the society at large.

In India, this day is commemorated nationwide on July 1st, in remembrance of Dr. Bidhan Chandra Roy, a distinguished physician and the second Chief Minister of West Bengal. Dr. Roy, born on July 1, 1882, and passing away on the same date in 1962, is remembered for his significant impact.

The remarkable contributions of our medical professionals, encompassing doctors and nurses, during the COVID-19 pandemic, remain indelible in our memories. Their on-going battle against the coronavirus deserves utmost recognition as they continue to demonstrate unwavering dedication and commitment.

In order to demonstrate our admiration, appreciation, and gratitude towards this honorable community, we have decided to commemorate this occasion by organizing a **Fancy Dress Competition on 10.07.2023.**
