SECTION-A (READING)

Q.1) Read the comprehension carefully and answer the questions given below:

Ajay wanted to buy a present for a very special person, his mother. He wanted to give her the present on Mother's Day. Ajay's father gave him some money. He put all the money into his bank account. Yes, even children can have their own bank accounts! After four months Ajay took all the money out of his bank account and went to buy the Mother's Day present. He looked and looked for a perfect gift. Suddenly, he saw a beautiful brooch in the shape of his favourite pet. He bought the brooch and wrapped it in a flowery paper. The night before Mother's Day, he put the present on his mother's dressing table. He was very excited. When his mother opened the present, she screamed with fright because she saw a spider.
