

SUMMER CREATIVE ACTIVITY (2020-21)

CLASS 5 - SCIENCE

1. Draw a well labelled diagram of **Balanced Diet Chart** in an A-4 or any drawing sheet. Also write 4 lines about your own diet in a day from breakfast to dinner.
2. Make “**Life cycle of a plant**” (*refer to pg no. 6 of your science textbook*). This life cycle must be drawn, coloured and decorated from dry wastes like pencil peels, bottle caps, match sticks, dry leaves, waste paper cuttings etc. This is to be made on an A4 or any available drawing sheet.

Note:

You are required to take a picture of the above mentioned activities and send it to your respective science teachers through Edunext app once you have completed it. You should mention your name, class and section in the sheets before submission. These activities must be submitted by the first week of July 2020.
