

ST.THOMAS SCHOOL, INDIRAPURAM

CLASS 8, SOCIAL SCIENCE

HOLIDAY HOMEWORK ACTIVITY:

Prepare a Power Point Presentation on the topic 'Pandemic and Environment' keeping in mind the following points:

- Effect of the Covid 19 and the world lockdown on water bodies.
- Recent changes observed in environmental pollution level and air quality index due to the Pandemic.
- Effect on animal kingdom.

Follow the guidelines given below-

- * Use pictures, graphs and statistical data along with written information.
- * Total no. of slides should be between 10-12.
- * Explain the subtopics in about 10 point, do not explain in paragraphs.
- * Last slide of the PPT should be bibliography i.e. mention the sources of information.
